MASTER OF ARCHITECTURE—TRACK I

DEGREE REQUIREMENTS—144 CREDITS

2022-2023

Individual requirements are determined by a transcript evaluation. Exact core courses taken will depend on the student's program of study. Within these requirements, students are required to complete a professional focus: a cluster, specialization, or certificate.

This degree is typically completed in 10 terms. This includes 64 credits in design studios. The remaining 80 credits are distributed among required professional course work and professional electives, which include the core course, advanced study, and history requirements.
